CERTIFICATION FOR THE
STATE OF MISSOURI
AMERICAN RECOVERY AND REINVESTMENT ACT
SUPPLEMENTAL STATEWIDE COST ALLOCATION PLAN
Certification by the Responsible Official

This is to certify that I have reviewed the cost allocation plan submitted herewith and to the best of my knowledge and belief:

- (1) All costs included in this fiscal year 2010 rate proposal are allowable in accordance with the requirements of OMB Circular A-87, "Cost Principles for State and Local Governments," and the Federal award(s) to which they apply. The costs included in this proposal include fiscal year 2009 costs incurred after the American Recovery and Reinvestment Act (ARRA) was signed and estimated fiscal year 2010 costs to be incurred.
- (2) All costs included in this proposal are properly allocable to Federal awards on the basis of a causal relationship between the estimated expenses to be incurred and the awards to which they are allocated in accordance with applicable requirements. Further, the same costs that have been treated as indirect costs have not been claimed as direct costs. Similar types of cost have been accounted for consistently.

I declare that the foregoing is true and correct.

STATE OF MISSOURI
AMERICAN RECOVERY AND REINVESTMENT ACT
SUPPLEMENTAL STATEWIDE COST ALLOCATION PLAN

Scope of Plan

The Missouri ARRA Supplemental Statewide Cost Allocation Plan is an annual report prepared by the Office of Administration, Division of Accounting. The procedures and guidelines for the preparation of this report are contained in the United States Office of Management and Budget Circular A-87, "Cost Principles for State, Local and Indian Tribal Governments." The plan provides an allocation of actual fiscal year 2009 costs incurred after ARRA was signed as well as an estimate of fiscal year 2010 costs to be incurred.

The cost pools included in this plan are as follows:

- Office of Administration - Rent
- Office of Administration - Fringes
- Office of Administration - Information Technology Services
- Office of Administration - Accounting
- ARRA Specific Employees - Salaries and Wages
- Office of Administration - Purchasing
- Office of the State Treasurer - Disbursements
- Contracted - Professional Services

For all cost pools included in this plan, only the costs incurred from state funds have been allocated. Federal fund expenditures have not been included in the original total cost for each cost pool. Allocations have been made to state agencies irregardless of their eligibility for reimbursement of central administrative indirect costs.

This plan was prepared by the Office of Administration, Division of Accounting. All inquiries should be directed to Ms. Jessica Opie, Division of Accounting at (573) 751-1899.

STATE OF MISSOURI

PURCHASING

NATURE AND EXTENT OF SERVICES

This Division of Purchasing is responsible for procurement of all supplies, materials, equipment, and contractual services required by the various State departments and agencies. The Division will oversee contracts entered into at a state-wide level, which includes a weatherization contract. Most contracts are completed by each State department, as needed, and therefore are not included in these costs.

Operating costs for ARRA are not directly billed and have been allocated to each State department based on original budgeted ARRA appropriations.
